STATEMENT OF THE MANAGERS ON THE PART OF THE HOUSE

The managers on the part of the House at the conference on the disagreeing votes of the two Houses on the amendment of the House to the bill (S. 1322) to provide a Federal charter for the Commodity Credit Corporation, submit the following statement in explanation of the effect of the action agreed upon by the conferees and recommended in the accompanying conference report:

The House amendment to the bill struck out all after the enacting clause and inserted a substitute amendment. The committee of conference recommend that the Senate recede from its disagreement to the amendment of the House with an amendment which is a substitute for both the Senate bill and the House amendment and that the House agree to the same.

In general the conference substitute follows the language of the House amendment. The major differences between the conference substitute and the House amendment are indicated below.

The Senate bill provided that Commodity Credit Corporation shall have the immunities of the United States from State statutes of limitations. The House amendment did not contain such a provision. Under the conference substitute a 4-year statute of limitations will apply to suits brought by or against the Corporation.

Under the House amendment not more than two employees of the Corporation or any department or agency of the Federal Government could serve as directors of the Corporation. The conference substitute increases this number to three.

The conference substitute contains a provision not in the House amendment authorizing the Secretary of Agriculture to appoint an interim board consisting of five members, including the Secretary who shall serve until October 1, 1948.
