7 USC 1433c.

7 USC 1421 note.

(B) In cases in which nonrecourse loans under such Act are not normally made available directly to producers, the Secretary shall establish procedures under which a producer may repay a recourse loan at the same time the producer receives advances or other payment from the producer's disposition of his crop.

(5) Advance recourse loans shall be made available as needed solely to cover costs involved in the production of the 1986 crop that are incurred or are outstanding on or after the date of enactment of this section.

(6) To obtain an advance recourse loan, the producer on a farm must—

(A) provide as security for the loan a first lien on the crop covered by the loan or provide such other security as may be available to the producer and determined by the Secretary to be adequate to protect the Government's interests; and

Insurance.

(B) obtain multiperil crop insurance, if available, to protect the crop that serves as security for the loan.
