- (2) One hundred percent (100%) of the licensee's renewal fee for a financial statement, renewal form, or renewal fee that is more than sixty (60) days late.

(d) The agency may file a notice of hearing for any fines assessed under subsection (c).

Ind. Code § 26-3-7-6.3. Grain buyers and warehouse licensing agency license fee fund.

(a) The grain buyers and warehouse licensing agency license fee fund is established to provide funds for the administration of this chapter. The fund shall be administered by the agency. The fund consists of:

- (1) the moisture testing device inspection fees collected under IC 15-11-8-3;
- (2) the licensing fees collected under section 6 of this chapter;
- (3) the fines collected under this chapter;
- (4) gifts and bequests; and
- (5) appropriations made by the general assembly.

(b) Expenses of administering the fund shall be paid from money in the fund.

(c) The treasurer of state shall invest the money in the fund not currently needed to meet the obligations of the fund in the same manner as other public money may be invested. Interest that accrues from these investments shall be deposited in the fund.

(d) Money in the fund at the end of a state fiscal year does not revert to the state general fund.

Ind. Code § 26-3-7-6.5. Disclosure of information; investigations.

(a) The names, locations, respective counties, and license status of licensees may be disclosed.

(b) Unless in accordance with a judicial order, the director, the agency, its counsel, auditors, or its other employees or agents shall not divulge any other information disclosed by the applications or reports filed or inspections performed under the provisions of this chapter. However, information may be divulged to agents and employees of the agency, the board, as required by subsection (d), the state board of accounts or another entity retained under subsection (f), or to any other legal representative of the state or federal government otherwise empowered to see or review the information.

(c) Except as provided in subsection (d), the director may disclose the information described in subsection (b) only in the form of an information summary or profile, or statistical study based upon data provided with respect to more than one (1) warehouse, grain buyer, or buyer-warehouse that does not identify the warehouse, grain buyer, or buyer-warehouse to which the information applies.

(d) The director shall disclose to the board, while the board is in executive session, the status and inspection results of any licensee who poses a significant risk of failure or who has failed to meet the

minimum requirements in section 4(e) or 16 of this chapter. The director may not include any identifying information regarding the licensee. The director may not disclose the information to a board member who has not executed a confidentiality agreement presented by the agency.

(e) The director shall provide the board with records of previous failures to analyze the factors that have led to previous failures.

(f) The director may use the services of the state board of accounts or retain another entity to assist the agency in investigating any audit results or other factors which indicate the potential for a licensee failure. The director may seek the advice and guidance of the board on selecting an entity or on any other matter.

Ind. Code § 26-3-7-7. Issuance of license or permit; false statements; applicant's qualifications.

(a) The director may issue or amend a license after the director has:

(1) received and approved the required information and documentation;
and

(2) determined that:

(A) the facility or facilities covered by the application are suitable for the proper storage or handling of the grain intended to be stored or handled in the facility or facilities; and

(B) the applicant has complied with this chapter and the rules adopted under this chapter.

(b) A person may not represent that the person is licensed under this chapter, and may not use a name or description that conveys the impression that the person is licensed, in a receipt or otherwise, unless the person holds an unsuspended and unrevoked license to conduct the business indicated by the license.

(c) An applicant for a license under this chapter must show that the applicant:

(1) has a good business reputation;

(2) has not been involved in improper manipulation of books and records or other improper business practice;

(3) has the qualifications and background essential for the conduct of the business to be licensed;

(4) employs management and principal officers that have suitable business reputations, background, and qualifications to perform their duties;

(5) has not been found guilty of a crime that would affect the licensee's ability to conduct business with integrity; and

(6) does not employ an officer, director, partner, or manager that has been found guilty of a crime that would affect the licensee's ability to conduct business with integrity.

Ind. Code § 26-3-7-8. Temporary license.

Upon receipt of an application for a permanent license, the director may issue a temporary license to the applicant for a reasonable time, not to exceed ninety (90) days, as the director deems necessary or advisable to enable the applicant to comply with the further requirements for obtaining a license under this chapter. A temporary license entitles the temporary licensee to the same rights and subjects the temporary licensee to the same duties as if the temporary licensee had a permanent license.

Ind. Code § 26-3-7-8.5. Licensing requirements of successor owner.

If the ownership of a facility or business licensed under this chapter passes to a successor owner, the obligations under this chapter of the original licensee do not cease until the successor owner is properly licensed and has executed a successor's agreement with the agency.

Ind. Code § 26-3-7-9. Bond, cash deposit, or letter of credit.

(a) Each applicant for a license under this chapter shall, as a condition of licensure, file or have on file with the director:

- (1) a cash deposit;
- (2) an irrevocable letter of credit;
- (3) a bond; or
- (4) any combination of the above;

as provided in section 10 of this chapter.

(b) A bond filed under this chapter shall:

(1) be conditioned upon the faithful performance of all obligations of the licensee under this chapter and the rules adopted under this chapter from the effective date of the bond until the earlier of the date the license is revoked or the bond is canceled as provided in this chapter; and

(2) be further conditioned upon the faithful performance of all obligations from the effective date of the bond and thereafter, regardless of whether the licensee's facility or facilities exist on the effective date of the bond or are thereafter assumed prior to the date the licensee's license is revoked or the bond is canceled as provided in this chapter.

(c) The bond must remain in effect during a violation, a temporary suspension of the licensee's license, or a period during which the licensee is subject to a cease and desist order.

Ind. Code § 26-3-7-10. Amount of bond, cash deposit, letter of credit, or other surety; deficiencies; penalties.

(a) The minimum amount of bond, letter of credit, or cash deposit required from a licensee is as follows:

(1) For a grain bank license or a warehouse license:

(A) fifty thousand dollars (\$50,000); and

(B) ten cents (\$0.10) multiplied by the licensed bushel storage capacity of the grain bank or warehouse.

(2) For a grain buyer, including a grain buyer that is also a licensee under the warehouse act:

(A) fifty thousand dollars (\$50,000); or

(B) five-tenths percent (0.5%) of the total amount the grain buyer paid for grain purchased from producers during the grain buyer's most recent fiscal year;

whichever is greater.

(3) For a buyer-warehouse:

(A) an amount equal to the sum of:

(i) fifty thousand dollars (\$50,000); and

(ii) ten cents (\$0.10) multiplied by the licensed bushel storage capacity of the buyer-warehouse's facility; or

(B) five-tenths percent (0.5%) of the total amount the buyer-warehouse paid for grain purchased from producers during the buyer-warehouse's most recent fiscal year;

whichever is greater.

(b) Except as provided in subsections (g) and (h), the amount of bond, letter of credit, or cash deposit required by this chapter may not exceed three hundred twenty-five thousand dollars (\$325,000) per license and may not exceed a total of one million two hundred fifty thousand dollars (\$1,250,000) per person.

(c) The licensed bushel storage capacity is the maximum number of bushels of grain that the licensee's facility could accommodate as determined by the director or the director's designated representative and shall be increased or reduced in accordance with the amount of space being used for storage from time to time.

(d) Instead of a bond or cash deposit, an irrevocable letter of credit in the prescribed amount may be provided with the director as the beneficiary. The director shall adopt rules under IC 4-22-2 to establish acceptable form, substance, terms, and conditions for letters of credit. The director may not release a party from the obligations of the letter of credit within eighteen (18) months of the termination of the licensee's license.

(e) The director shall adopt rules under IC 4-22-2 to provide for the receipt and retention of cash deposits. However, the director shall not return a cash deposit to a licensee until the director has taken reasonable precautions to assure that the licensee's obligations and liabilities have been or will be met.

(f) If a person is licensed or is applying for licenses to operate two (2) or more facilities in Indiana, the person may give a single bond, letter of credit, or cash deposit to satisfy the requirements of this chapter and the rules adopted under this chapter to cover all the person's facilities in Indiana.

(g) If a licensee has a deficiency in the minimum positive net worth required under section 16(a)(2)(B), 16(a)(3)(B), 16(a)(4)(B), or 16(a)(5)(B) of this chapter, the licensee shall add to the amount of bond, letter of credit, or cash deposit determined under subsection (a) an amount equal to the deficiency or provide another form of surety as permitted under the rules of the agency.

(h) Except as provided in subsections (i) and (j), a licensee may not correct a deficiency in the minimum positive net worth required by section 16(a)(1), 16(a)(2)(A), 16(a)(3)(A), 16(a)(4)(A), or 16(a)(5)(A) of this chapter by adding to the amount of bond, letter of credit, or cash deposit required by subsection (a).

(i) A buyer-warehouse that has a bushel storage capacity of less than one million (1,000,000) bushels or purchases less than one million (1,000,000) bushels of grain per year may correct a deficiency in minimum positive net worth by adding to the amount of bond, letter of credit, or cash deposit determined under subsection (a) if the buyer-warehouse has a minimum positive net worth of at least fifty thousand dollars (\$50,000), not including the amount added to the bond, letter of credit, or cash deposit.

(j) A buyer-warehouse that has a bushel storage capacity of at least one million (1,000,000) bushels, or purchases at least one million (1,000,000) bushels of grain per year, may correct a deficiency in minimum positive net worth by adding to the amount of bond, letter of credit, or cash deposit determined under subsection (a) if the buyer-warehouse has a minimum positive net worth of at least one hundred thousand dollars (\$100,000), not including the amount added to the bond, letter of credit, or cash deposit.

(k) If the director or the director's designated representative finds that conditions exist that warrant requiring additional bond or cash deposit, there shall be added to the amount of bond or cash deposit as determined under the other provisions of this section, a further amount to meet the conditions.

(l) If the director or the director's designated representative finds a deficiency in minimum net worth before the licensee's next audit by the agency, the director shall issue a notice of deficiency to the licensee stating that the licensee has thirty (30) days to correct the deficiency. If a licensee fails to correct a deficiency in minimum net worth within the thirty (30) day period, the director may issue a fine of not more than one thousand dollars (\$1,000).

(m) If a licensee fails to correct a deficiency in minimum net worth within sixty (60) days of receiving a fine under subsection (l), the director may issue a temporary suspension of not more than thirty (30) days. The director or the director's designated representative shall grant an opportunity for a hearing as soon as possible following a temporary suspension under this subsection.

(n) The director may accept, instead of a single cash deposit, letter of credit, or bond, a deposit consisting of any combination of cash deposits, letters of credit, or bonds in an amount equal to the licensee's obligation under this chapter. The director shall adopt rules under IC 4-22-2 to establish standards for determining the order in which the forms of security on deposit must be used to pay proven claims if the licensee defaults.

(o) The director may require additional bonding that the director considers necessary.

Ind. Code § 26-3-7-11. [Repealed].

Ind. Code § 26-3-7-12. Insurance; filing of certificate; settlement with depositor in case of destruction.

(a) Each applicant for a license under this chapter shall, as a condition to the granting of the license, file or have on file a certificate of insurance evidencing an effective policy of insurance issued by an insurance company authorized to do business in Indiana insuring in the name of the applicant all grain that is or may be in the licensee's facilities for its full market value against loss by fire, internal explosion, lightning, and windstorm.

(b) In case fire, internal explosion, lightning, or wind-storm destroys or damages any grain in a licensed facility, the licensee shall, upon demand by the depositor and upon being presented with the receipt or other evidence of ownership, make settlement, after deducting the licensee's charges and advances, at the market value of the grain based on the value at the average price paid for grain of the same grade and quality on the date of the loss at the location of the facility. If a settlement is not made within sixty (60) days from the date of demand, the depositor is entitled to seek recovery from the insurance company.

Ind. Code § 26-3-7-13. Additional bond, cash deposit, letter of credit, or insurance.

Whenever the director determines that a previously approved bond, letter of credit, cash deposit, or previously approved insurance is

insufficient, the director shall require an additional bond, letter of credit, cash deposit, or insurance to be given by the licensee in the form and upon the terms and conditions required by this chapter and rules adopted under this chapter.

Ind. Code § 26-3-7-14. Cancellation of bond or insurance; approval; notice; suspension of license.

(a) A licensee may not cancel an approved bond or approved insurance unless the director has given prior written approval for the cancellation and has received a substitute cash deposit or has approved a substitute bond or insurance. The surety on a bond may cancel a bond required by this chapter only after the expiration of ninety (90) days from the date the surety mailed a notice of intent to cancel, by registered or certified mail, to the director. An insurance company may cancel insurance required by this chapter only after the expiration of a thirty (30) day period from the mailing, by certified mail, of notice of intent to cancel, to the director. The surety and the insurance company shall, at the time of giving notice to the director, send a copy of the notice to the licensee.

(b) Notwithstanding any other provision of this chapter, the license of a licensee shall automatically be suspended for failure to:

- (1) file a new bond, letter of credit, or cash deposit within the ninety (90) day period as provided in this section;
- (2) file new evidence of insurance within the thirty (30) day period as provided in this section; or
- (3) maintain at all times a bond or cash deposit and insurance as provided in this chapter.

The suspension shall continue until the licensee complies with the bonding and insurance requirements of this chapter.

Ind. Code § 26-3-7-15. Grain inventories; sufficiency for outstanding warehouse receipts or other storage obligations.

(a) A licensee shall maintain inventories of sufficient quantity and grade of grain to meet the licensee's storage obligations.

(b) Inventories representing grain evidenced by outstanding warehouse receipts shall be maintained in the warehouse shown on the warehouse receipt issued by the warehouse in which the grain was originally deposited.

(c) Inventories representing storage obligations other than those evidenced by warehouse receipts may be represented by:

- (1) receipts for grain stored in a facility licensed under this chapter;

(2) receipts in a warehouse licensed and bonded under the warehouse act; or

(3) other warehouse receipts or tickets as approved by the director.

Ind. Code § 26-3-7-16. Maintenance of minimum net worth.

(a) A licensee shall have and maintain a current asset to current liability ratio of one to one (1:1) and shall maintain, as evidenced by the financial statement required by section 6 of this chapter, the following minimum positive net worth:

(1) For a grain bank, minimum positive net worth is at least one hundred thousand dollars (\$100,000).

(2) For a warehouse, minimum positive net worth is at least equal to the sum of:

(A) one hundred thousand dollars (\$100,000); and

(B) ten cents (\$0.10) multiplied by the bushel storage capacity of the warehouse.

(3) For a grain buyer, minimum positive net worth is:

(A) one hundred thousand dollars (\$100,000); or

(B) five cents (\$0.05) multiplied by the total number of bushels of grain purchased by the grain buyer during the grain buyer's most recent fiscal year;

whichever is greater.

(4) For a buyer-warehouse that has a bushel storage capacity of less than one million (1,000,000) bushels or purchases less than one million (1,000,000) bushels of grain per year, minimum positive net worth is:

(A) the sum of:

(i) one hundred fifty thousand dollars (\$150,000); and

(ii) ten cents (\$0.10) multiplied by the bushel storage capacity of the buyer-warehouse; or

(B) five cents (\$0.05) multiplied by the total number of bushels of grain purchased by the buyer-warehouse during the buyer-warehouse's most recent fiscal year;

whichever is greater.

(5) For a buyer-warehouse that has a bushel storage capacity of at least one million (1,000,000) bushels or purchases at least one million (1,000,000) bushels of grain per year, minimum positive net worth is:

(A) the sum of:

- (i) two hundred thousand dollars (\$200,000); and
- (ii) ten cents (\$0.10) multiplied by the bushel storage capacity of the buyer-warehouse; or

(B) five cents (\$0.05) multiplied by the total number of bushels of grain purchased by the buyer-warehouse during the buyer-warehouse's most recent fiscal year;

whichever is greater.

(b) Except as provided in section 10 of this chapter, if a licensee is required to show additional net worth to comply with this section, the licensee may satisfy the requirement by adding to the amount of the bond, letter of credit, or cash deposit required under section 10 of this chapter an amount equal to the additional net worth required or provide another form of surety as permitted under the rules of the agency.

(c) The director may adopt rules under IC 4-22-2 to provide that a narrative market appraisal that demonstrates assets sufficient to comply with this section may satisfy the minimum positive net worth requirement.

Ind. Code § 26-3-7-16.1. [Repealed].

Ind. Code § 26-3-7-16.5. Determination of shortages; payment of claims; hearings and procedures.

(a) Upon learning of the possibility that a shortage exists, either as a result of an inspection or a report or complaint from a depositor, the agency, based on an on-premises inspection, shall make a preliminary determination as to whether a shortage exists. If a shortage is not discovered, the agency shall treat the audit as it would any other audit.

(b) If it is determined that a shortage may exist, the director or the director's designated representative shall hold a hearing as soon as possible to confirm the existence of a shortage as indicated by the licensee's books and records and the grain on hand. Only the licensee, the surety company named on the licensee's bond, the issuer of the irrevocable letter of credit, and any grain depositor who has made a claim or complaint to the agency in conjunction with the shortage shall be considered as interested parties for the purposes of that hearing, and each shall be given notice of the hearing. At the hearing, the director or the director's designated representative shall determine whether there appears to be a reasonable probability that a shortage exists. If it is determined that a reasonable probability exists and that the bond or letter of credit proceeds or the cash deposit should be distributed, a preliminary determination shall be entered to the effect that the licensee has failed to meet its obligations under this chapter or the rules adopted under this chapter. At the hearing, the director or the director's designated

representative may order that all proceeds from grain sales are to be held in the form in which they are received and to be kept separate from all other funds held by the licensee. The order may also provide for informal conferences between agency representatives and persons who have or who appear to have grain deposited with the licensee. The surety company shall be permitted to participate in those conferences.

(c) In the event that the director determines that the bond or letter of credit proceeds or cash deposit is to be distributed, the agency shall hold a hearing on claims. Notice shall be given to the surety company named on the licensee's bond, the issuer of the irrevocable letter of credit, and to all persons shown by the licensee's books and records to have interests in grain deposited with the licensee. If the agency has actual knowledge of any other depositor or person claiming rights in the grain deposited with the licensee, the bond, the irrevocable letter of credit, or the cash deposit, notice shall also be provided to that person. In addition, public notice shall be provided in newspapers of general circulation that serve the counties in which licensed facilities are located, and notices shall be posted on the licensed premises. At the hearing on claims, the director or the director's designated representative may accept as evidence of claims the report of agency representatives who in informal conferences with depositors have concluded that a claim is directly and precisely supported by the licensee's books and records. When there is disagreement between the claims of a depositor and the licensee's books and records, the director or the director's designated representative shall hear oral claims and receive written evidence of claims in order to determine the validity of the claim.

(d) Any depositor who does not present a claim at the hearing may bring the claim to the agency within fifteen (15) days after the conclusion of the hearing. However, a depositor who has a claim that was involved in the probate of an estate at the time of the claims hearing has one (1) year from the conclusion of the claims hearing to present the claim to the agency.

(e) Only grain that has been delivered to a first purchaser licensee for sale or storage under a bailment not more than fifteen (15) months before the date of failure of the licensee may be considered by the director or the director's designated representative in determining the total proven storage and financial obligations due to depositors and the loss sustained by each depositor who has proven a claim.

(f) Following the hearing on claims, the director or the director's designated representative shall make a determination as to the total proven storage and financial obligations due to depositors and the loss sustained by each depositor who has proven a claim. Depositors found to have proven their claims for storage or financial loss shall be proven claimants. In arriving at that loss, in accordance with section 19 of this chapter, the director shall apply all grain on hand or its identifiable proceeds to meet the licensee's obligations to grain depositors of grain of that type.

Initial determinations of loss shall be made on the amount of grain on hand, or identifiable proceeds, and shall reduce the amount to which a depositor may have a proven claim. With respect to the remaining unfulfilled obligations, the director shall, for the sole purpose of establishing each depositor's claim under this chapter, establish a date upon which the loss is discovered, shall price the grain as of that date, shall treat all outstanding grain storage obligations not covered by grain on hand or identifiable proceeds as being sold as of that date, and shall determine the extent of each depositor's loss as being the actual loss sustained as of that date. Grain of a specific type on the premises of a licensee must first be applied to meet the licensee's storage obligations with respect to that type of grain. If there is insufficient grain of a specific type on hand to meet all storage obligations with respect to that type of grain, the grain that is present shall be prorated in accordance with the procedures described in this section and section 16.8 of this chapter.

(g) Upon the failure of the agency to begin an audit, which would serve as the basis for a preliminary administrative determination, within forty-five (45) days of the agency's receipt of a written claim by a depositor, a depositor shall have a right of action upon the bond, letter of credit, or cash deposit. A depositor bringing a civil action need not join other depositors. If the agency has undertaken an audit within the forty-five (45) day period, the exclusive remedy for recovery against the bond, letter of credit, or cash deposit shall be through the recovery procedure prescribed by this section.

(h) When the proven claims exceed the amount of the bond, letter of credit, or cash deposit, recoveries of proven claimants shall be prorated in the same manner as priorities are prorated under section 16.8 of this chapter.

(i) The proceedings and hearings under this section may be undertaken without regard to, in combination with, or in addition to those undertaken in accordance with section 17.1 of this chapter.

(j) The findings of the director shall be final, conclusive, and binding on all parties.

(k) The director may adopt rules under IC 4-22-2 to determine how the agency may distribute the interest that may accrue from funds held by the agency for the payment of claims.

(l) A claim of a licensee for stored grain may not be honored until the proven claims of all other claimants arising from the purchase, storage, and handling of the grain have been paid in full.

(m) A claim is considered to be adjudicated if the claimant has:

- (1) agreed with the director's determination on the claim and not filed an appeal under IC 4-21.5-3; or
- (2) exhausted the claimant's administrative appeal and judicial review remedies.

(n) Subject to the requirements under this chapter, if one (1) or more claimants are not paid in full for the claimants' proven claims, the director shall forward to the Indiana grain indemnity fund board of directors a list of the claimants who are owed money and the balance due each claimant along with a copy of the final order.

Ind. Code § 26-3-7-16.6. Procedures.

The procedures established by this chapter also apply when the director learns or has reason to believe that a person is doing business as a grain buyer, operating a warehouse, or acting as a buyer-warehouse without the license required by this chapter.

Ind. Code § 26-3-7-16.7. Appeals.

(a) A licensee or claimant subject to the director's action may appeal under IC 4-21.5-3 from orders issued by the director under section 16.5 or 17.1 of this chapter.

(b) A licensee or claimant may request an appeal under IC 4-21.5-3 not more than fifteen (15) days after being served with the director's findings.

(c) If a licensee or claimant requests an appeal under IC 4-21.5-3, the director shall designate:

- (1) an administrative law judge to preside over the appeal; and
- (2) an ultimate authority for purposes of the appeal in accordance with IC 4-21.5-3.

Ind. Code § 26-3-7-16.8. Lien on grain assets.

(a) A lien against all grain assets of a licensee or a person who is required to be licensed under this chapter attaches in favor of the following:

- (1) A lender or other claimant that has a receipt for grain owned or stored by the licensee.
- (2) A claimant that has a ticket or written evidence, other than a receipt, of a storage obligation of the licensee.
- (3) A claimant that surrendered a receipt as part of a grain sales transaction if:
 - (A) the claimant was not fully paid for the grain sold; and
 - (B) the licensee failed less than twenty-one (21) days after the surrender of the receipt.
- (4) A claimant that has other written evidence of a sale to the licensee of grain for which the claimant has not been fully paid.

(b) A lien under this section attaches and is effective at the earliest of the following:

- (1) the delivery of the grain for sale, storage, or under a bailment;
- (2) the commencement of the storage obligation; or
- (3) the advancement of funds by a lender.

(c) A lien under this section terminates when the licensee discharges the claim.

(d) If a licensee has failed, the lien that attaches under this section is assigned to the agency by operation of this section. If a failed licensee is liquidated, a lien under this section continues to attach as a claim against the assets or proceeds of the assets of the licensee that are received or liquidated by the agency.

(e) Except as provided in subsection (h), if a licensee has failed, the power to enforce the lien on the licensee's grain assets transfers by operation of this section to the director and rests exclusively with the director who shall allocate and prorate the proceeds of the grain assets as provided in subsections (g) and (i).

(f) The lien established under this section has priority over all competing lien claims asserted against the licensee's grain assets.

(g) The priority of a lien that attaches under this section is not determined by the date on which the claim arose. If a licensee has failed, the director shall enforce lien claims and allocate grain assets and the proceeds of grain assets of the licensee in the following order of priority:

(1) First priority is assigned to the following:

(A) A lender or other claimant that has a receipt for grain owned or stored by the licensee.

(B) A claimant that has a ticket or written evidence, other than a receipt, of a storage obligation of the licensee.

(C) A claimant that surrendered a receipt as part of a grain sales transaction if:

(i) the claimant was not fully paid for the grain sold; and

(ii) the licensee failed less than twenty-one (21) days after the surrender of the receipt.

If there are insufficient grain assets to satisfy all first priority claims, first priority claimants shall share pro rata in the assets.

(2) Second priority is assigned to all claimants who have written evidence of the sale of grain, such as a ticket, a deferred pricing agreement, or similar grain delivery contract, and who completed delivery less than thirty (30) days before the

licensee's failure. Claimants under this subdivision share pro rata in the remaining assets if all claimants under subdivision (1) have been paid but insufficient assets remain to fully satisfy all claimants under this subdivision.

(3) Third priority is assigned to all other claimants that have written evidence of the sale of grain to the failed licensee. Claimants under this subdivision share pro rata in the distribution of the remaining grain assets.

(h) If a claimant under this section brings an action to recover grain assets that are subject to a lien under this section and the agency does not join the action, the director shall, upon request of the claimant, assign the lien to the claimant in order to allow the claimant to pursue the claim to the extent that the action does not delay the resolution of the matter by the agency, the prompt liquidation of the assets, or the ultimate distribution of assets to all claimants.

(i) If:

(1) a claimant engaged in farming operations granted to one (1) or more secured parties one (1) or more security interests in the grain related to the claimant's claim under this section; and

(2) one (1) or more secured parties described in subdivision (1) have given to:

(A) the licensee prior written notice of the security interest under IC 26-1-9.1-320(a)(1) or IC 26-1-9-307(1)(a) before its repeal; and

(B) the director prior written notice of the security interest with respect to the grain described in subdivision (1) sufficient to give the director a reasonable opportunity to cause the issuance of a joint check under this subsection;

the director shall pay the claimant described in subdivision (1) the portion of the proceeds of grain assets under subsection (e) to which the claimant is entitled under this section by issuance of a check payable jointly to the order of the claimant and any secured party described in subdivision (1) who has given the notices described in subdivision (2). If only one (1) secured party described in subdivision (1) is a payee, the rights of the secured party in the check shall be to the extent of the indebtedness of the claimant to the secured party. If two (2) or more secured parties described in subdivision (1) are payees, the nature, extent, and priority of their respective rights in the check are determined in the same manner as the nature, extent, and priority of their respective security interest under IC 26-1-9.1.

Ind. Code § 26-3-7-17. [Repealed].

Ind. Code § 26-3-7-17.1. Possible violations; powers of director; procedures.

(a) Whenever the director, as a result of an inspection or otherwise, has reasonable cause to believe that a person to which this chapter is or may be applicable:

(1) is conducting business contrary to this chapter or in an unauthorized manner; or

(2) has failed, neglected, or refused to observe or comply with any order, rule, or published policy statement of the agency;

then the director may undertake any one (1) of the actions prescribed by this section.

(b) Upon learning of the possibility that a licensee is acting as described in subsection (a), the director or the director's designated representative may seek an informal meeting with the licensee. At that meeting, which shall be held at a time and place agreed to by the licensee and the director, the director or the director's designated representative shall discuss the possible violations and may enter into a consent agreement with the licensee under which the licensee agrees to undertake, or to cease, the activities that were the subject of the meeting. The consent agreement may provide for a time frame within which the licensee must be in compliance.

(c) Upon learning of the possibility that a person is acting as described in subsection (a), the director or the director's designated representative, except as otherwise provided in this subsection, shall hold a hearing to determine whether a cease and desist order should issue against a licensee or an unlicensed person undertaking activities covered by this chapter. If the director or the director's designated representative determines that the violation or the prohibited practice is likely to cause immediate insolvency or irreparable harm to depositors, the director or the director's designated representative, without notice, may issue a temporary cease and desist order requiring the person to cease and desist from that violation or practice. The order shall become effective upon service on the person and shall remain effective and enforceable pending the completion of all administrative proceedings.

(d) Upon a determination, after a hearing held by the director or the director's designated representative, that a person is acting as described in subsection (a), the director may suspend, revoke, or deny a license. If the director suspends, revokes, or denies a license, the director shall publish notice of the suspension, revocation, or denial as provided in section 17.5 of this chapter.

(e) If the director has reasonable cause to believe that a licensee is acting as described in subsection (a) and determines that immediate action without an opportunity for a hearing is necessary in order to safeguard depositors, the director may suspend a license temporarily without a hearing for a period not to exceed twenty (20) days. When a license is suspended without a hearing, the director or the

director's designated representative shall grant an opportunity for a hearing as soon as possible.

Ind. Code § 26-3-7-17.5. Notice of suspension or revocation of license; notice of denial of application.

(a) Whenever the license of a licensee is suspended or revoked, the director shall:

(2) cause notice of the suspension or revocation to be posted at the facilities covered by the license.

(b) Whenever an application for licensure under this chapter is denied, the director may:

(1) for each facility operated by the applicant, publish a public notice in a newspaper of general circulation that serves the county in which the facility is located; and

(2) cause notice of the denial to be posted at the applicant's facilities.

(c) A notice posted under this section may not be removed without the written permission of the director.

(a) When a license is revoked, the licensee shall terminate in the manner prescribed by the director all arrangements covering the grain in the facility covered by the license, but shall be permitted, under the direction and supervision of the director or the director's designated representative, to deliver grain previously received.

(b) During any suspension of a license, the licensee may, under the direction and supervision of the director or the director's designated representative, operate the facility, but shall not incur any additional obligations to producers.

Ind. Code § 26-3-7-19. Receipt of grain; ownership of deposited grain.

(a) A licensee shall issue a receipt or ticket for grain received. Grain received by a licensee shall be credited to the depositor on the books of the licensee within seven (7) days from the date of its delivery. If a ticket is issued on delivery of the grain for storage, a receipt shall be issued on demand, but no receipt shall be issued on grain bank grain.

(b) The licensee is a bailee with respect to all stored grain. The person whose name appears on a receipt or a ticket has title to the stored grain evidenced by the receipt or ticket.

Ind. Code § 26-3-7-20. Grain owned by licensee; receipts; transfer.

A licensee may issue a receipt for grain owned by the licensee in whole or in part, located in the licensee's facility. The negotiation, transfer, sale, or pledge of the receipt shall not be defeated by reason of the licensee's ownership.

Ind. Code § 26-3-7-21. Uniform Warehouse Receipts Act; application to transactions.

Except as provided by this chapter, and regardless of whether the grain was received for storage, shipping, or handling, IC 26-3-2 applies to all transactions involving or incidental to the issuance, negotiation, transfer, sale, endorsement, or other dealings with receipts, to transactions involving delivery or other disposition of grain, and to the rights, duties, liabilities, and privileges of licensees or others dealing with licensees.

Ind. Code § 26-3-7-22. Commingling of grain.

Upon demand, after payment of all applicable charges, grain shall be returned to the depositor at the licensed facility where the grain was received unless agreed otherwise in writing.

While a receipt or ticket issued under this chapter is outstanding and uncanceled by the issuing licensee, no other receipt or ticket shall be issued for the grain or any part of the grain that is covered by the receipt or ticket. However, if a receipt or ticket is lost, stolen, or destroyed the owner of the receipt or ticket is entitled to a new receipt that is a duplicate of the missing receipt or a new ticket that is a substitute for the missing ticket. The duplicate receipt or substitute ticket entitles the owner to all rights appertaining to the document for which it was issued, and shall state that it is in lieu of the former receipt or ticket and give the number and date of the former receipt or ticket. If the missing document was a negotiable receipt, the issuing licensee shall require an indemnity bond of double the market value of the grain covered by the missing receipt in a form and with the surety that the director may prescribe to fully protect all rights under the missing receipt.

Ind. Code § 26-3-7-25. Terms of receipts.

Every warehouse receipt issued, whether paper or electronic, shall embody within its terms the following:

(4) A clause that reserves to the licensee the right to terminate storage, shipping, and handling arrangements and collect outstanding charges upon the revocation of the licensee's license.

(5) Other terms and conditions as provided in the Uniform Warehouse Receipts Acts. However, nothing contained in the Uniform Warehouse Receipts Act shall require a receipt issued for grain to specifically state the variety of the grain by name.

(6) A clause that terminates storage on the date the license held by the licensee when the receipt was issued expires and reserves to the licensee the right to collect outstanding charges against any lot of grain.

(7) Other provisions prescribed by the director.

Every ticket issued shall embody within its terms:

(b) If the deferred pricing agreement in connection with a grain purchase was entered into before July 1, 2021, the licensee shall complete the licensee's payment obligations to the seller under the agreement before January 1, 2024. The determined price date of a deferred pricing agreement shall be:

- (2) if subdivision (1) does not apply, a determined price date that is mutually agreed to by the licensee and the seller; or
- (3) if subdivisions (1) and (2) do not apply, the date on which the licensee completes the licensee's payment obligations to the seller.

(c) If the director or director's designated representative determines that the licensee has not complied with this section, the director shall issue a notice stating that the licensee has thirty (30) days to price grain for the initial deferred pricing agreement.

(d) If a licensee fails to price grain within thirty (30) days of the notice in subsection (c), the director may impose a fine on the licensee of not more than one thousand dollars (\$1,000). Fines collected under this section must be deposited in the grain buyers and warehouse licensing agency license fee fund established by section 6.3 of this chapter.

Requests for receipts shall be on forms furnished by the director and shall be accompanied by payment to cover the estimated cost of printing, packaging, and shipping, as determined by the director. Where privately printed, the printer shall furnish the director an affidavit showing the amount of the receipts printed, and the serial numbers thereof. All receipts remaining unused shall be recovered by the director or the director's designated representative if the license required by this chapter is terminated or suspended.

Ind. Code § 26-3-7-31. Grain storages; appointment of receiver; notice of actions and orders.

(b) Upon a determination by the director that there is reasonable cause to believe that a licensee is unable to meet the licensee's storage or other grain obligations, and that the licensee is removing, or the director has reasonable cause to believe that the licensee may remove, grain from the licensed premises, the director may, under the conditions provided in, and in accordance with, the Indiana Rules of Trial Procedure, seek from the circuit court, superior court, or probate court of the Indiana county in which the licensee has the licensee's principal place of business a temporary restraining order preventing the further sale or movement of any grain and requiring that proceeds from grain sales received after the issuance of the temporary restraining order should be held in the form in which they are received by the licensee and kept separate from all other funds held by the licensee.

the board may compensate the claimant described in subdivision (1) in the amount to which the claimant is entitled under section 4 of this chapter by causing the issuance of a check payable jointly to the order of the claimant and any secured party described in subdivision (1) who has given the notices described in subdivision (2). If only one (1) secured party described in subdivision (1) is a payee, the rights of the secured party in the check shall be to the extent of the indebtedness of the claimant to the secured party. If two (2) or more secured parties described in subdivision (1) are payees, the nature, extent, and priority of their respective rights in the check are determined in the same manner as the nature, extent, and priority of their respective security interest under IC 26-1-9.1.

Ind. Code § 26-4-6-4. Percentage of compensation; partial payments.

(a) A claimant who has incurred a storage loss due to the failure of a warehouse operator licensed under IC 26-3-7 is entitled to be compensated by the board from the fund for one hundred percent (100%) of the storage loss incurred less all credits and offsets and any producer premium that would have been due on the sale of the grain. The gross amount of the storage loss shall be as determined by the agency for warehouses licensed under IC 26-3-7 or by the United States Department of Agriculture for warehouses licensed under the United States Warehouse Act. The warehouse operator and claimants may submit to the agency evidence related to outstanding charges against stored grain. If the evidence is submitted, the agency shall determine the storage loss payable by the board.

(b) A claimant who has incurred a financial loss due to the failure of a grain buyer is entitled to be compensated by the board from the fund for eighty percent (80%) of the loss incurred less all credits and offsets and any producer premium that should have been due on the sale of the grain. The agency shall determine the loss incurred in the following manner:

(1) For grain that has been priced, the loss shall be the value of the priced grain less any outstanding charges against the grain.

(2) For grain sold to a grain buyer who is also a warehouse operator and that has not been priced, the loss shall be established using the price determined for the storage obligations.

(3) For grain sold to a grain buyer who is not a warehouse operator and that has not been priced, the loss shall be established using a price determined by the agency using the same procedures used by the agency to determine the price at the warehouse.

(c) If a producer appeals under IC 4-21.5-3 an order issued by the director under IC 26-3-7-16.5 that postpones the agency from notifying the board of the amount of loss for proven claimants under IC 26-3-7-16.5(n), the board may issue partial payments to any claimants who have not appealed their claims.

Ind. Code § 26-4-6-5. [Repealed].

Ind. Code § 26-4-6-7. Denial of claim.

The board shall deny the payment of compensation under this chapter to a claimant who has incurred a financial loss or storage loss due to the failure of a warehouse or grain buyer when the board determines the existence of any of the following:

(1) The claimant as payee has failed to present for payment a negotiable instrument issued as payment for grain within ninety (90) days from the date the negotiable instrument is tendered to the claimant in satisfaction of obligations for grain purchased by the licensed grain establishment.

(2) The claimant has engaged in conduct or practices that differ from generally accepted marketing practices within the grain industry to an extent that the claimant's actions have substantially contributed to the claimant's loss. The Indiana grain indemnity board may consider whether contracts not excluded under IC 26-3-7-4 are to be generally accepted marketing practices within the grain industry.

Ind. Code § 26-4-6-8. Duties of board following failure to pay by warehouse or grain buyer.

After the agency has determined that a grain buyer or warehouse has defaulted payment or failed, the board shall have the following duties:

(1) Determine the valid claims and the amount of such claims to be paid to claimants for financial losses that were incurred due to the failure of a grain buyer or warehouse operator.

(2) Authorize payment of money from the fund when necessary for the purpose of compensating claimants in accordance with the provisions of this chapter.

(3) Collect money through subrogated claims against bonds filed under IC 26-3-7 in the place of claimants who collected for a loss incurred due to a warehouse or grain buyer failure.

(4) Borrow money as authorized under IC 26-4-3-9 if the fund has insufficient money to cover approved claims.

(5) Deposit into the fund any remaining grain assets of a failed grain buyer or warehouse operator for the purpose of repayment to the fund the money used to pay claimants, subject to any priority lien right a holder of a mortgage, security interest, or other encumbrance may possess under any other applicable law. Any repayment into the fund may not exceed the principal amount paid to claimants plus interest at the rate paid on ninety (90) day United States Treasury bills.

(6) If the amount in the fund is insufficient to pay all approved claims in accordance with this chapter and the board is unable to borrow funds for whatever reason, authorize payment of all the approved claims on a pro rata basis.

Ind. Code § 26-4-7-1. Authority.

The agency, corporation, and board have authority to publish and adopt rules consistent with this article.

Ind. Code § 26-4-7-2. Disciplinary action.

This article does not limit the authority of the director of the agency to take disciplinary action against a grain buyer or warehouse operator licensed under IC 26-3-7 for a violation of IC 26-3-7, this article, or the rules of the agency.

Ind. Code § 26-4-7-3. Effect of repayment to fund.

The repayment in full of all obligations to the fund by a grain buyer or warehouse operator does not nullify or modify the effect of any other disciplinary proceeding brought under IC 26-3-7 or this article.

Ind. Code § 26-4-8-1. Failure to collect or pay premiums.

A person who knowingly or intentionally refuses or fails to:

- (1) collect from producers under the program; or
- (2) pay producer premiums collected from producers under the program;

commits a Class A misdemeanor. In addition to the criminal penalty under this section, the grain buyer must also pay to the fund money collected from producers and owed to the fund.

statement, representation, or certification, in any record, report, or other document filed or required to be filed or maintained by the director, agency, board, or corporation commits a Class A misdemeanor.

Ind. Code § 26-4-8-3. Interference with board's or corporation's performance of duties.

Except as permitted by law, a person who willfully or knowingly resists, prevents, impedes, or interferes with the board or other agents or employees of the corporation or the board in the performance of the duties assigned under this article commits a Class A misdemeanor.
